### About INCOBRA Webinar #10

**EUREKA** <http://www.eurekanetwork.org/> is an intergovernmental network launched in 1985, to support market-oriented R&D and innovation projects by industry, research centres and universities across all technological sectors.

The aim of a **GlobalStars Call** <http://www.eurekanetwork.org/content/globalstars-multi-track-approach-internationalisation-eureka> is to facilitate international R&D&I cooperation between EUREKA countries, including associated countries, and non-EUREKA partner countries. GlobalStars shall be a flexible, reliable, lean and fast instrument allowing global cooperation for EUREKA countries in a variable geometry.
