

# INCOBRA and ENRICH in Brazil Info Session @EBN Techcamp EU-Brazil cooperation opportunities in the aerospace sector

## OBJECTIVES

The session aims at providing participants with an overview of the sector in Brazil, by inviting representatives of the **Brazilian Aerospace Cluster and PqTEC** as it can offer internationalization services to European R&D&I actors interested in exploring this market/sector (PqTEC has been recently accredited as ENRICH in Brazil Soft Landing Hub and is hosting the Brazilian Aerospace Cluster in its park).

The session will also **highlight available opportunities under Horizon 2020**.

## DATE/PLACE

The info-session will take place within the framework of the 8th EBN TechCamp, organised in partnership with **ESA/ESTEC (Noordwijk, The Netherlands)**, on 22-23 November 2018 (<http://ebntechcamp.eu/home>).

**The session will be taking place during the afternoon of the first day: 22 November 2018, 16,30-18,30.**

## PROGRAMME

16.30-16.40	<p>Opening and introduction</p> <ul style="list-style-type: none"> <li>Background to the INCOBRA project and ENRICH in BR. Chiara Davalli, EBN Shaping opportunities for European R&amp;I actors interested in the Brazilian landscape</li> </ul>
